"To say of what is that it is not, or of what is not that it is, is false, while to say of what is that it is, and of what is not that it is not, is true."

2,11-14 : And when they are told, do not spread corruption throughout the land; they say we are doing righteous deeds. Indeed, they do spread corruption, but they do not perceive. And when they are told, believe like the people have done, they say; should we believe like the fools have believed? Indeed they are fools, but they do not know. When they meet those who believe, they say we believe, and when they are alone with their demons, they say we are with you, we were only mocking.

Guru Nanak
